THE BEST RUN

Welcome

We are delighted to bring you **SAP Billing, Revenue, and Innovation Management Live 2020** – a brand new, immersive, and free to attend two day digital event.

Over two information packed days, learn how you can make your entire revenue management process more transparent with scalable, flexible, and highly-automated software for billing, invoicing, and revenue management. Our agenda is business focussed and will feature exclusive, real-life case studies from high profile SAP customers.

In times of change, we can't wait to bring you this reimagined online experience. Attendees will have the opportunity to watch live presentations, catch up with content on-demand, network and connect with other participants, organise one-to-one video meetings, take part in interactive group discussions and explore our virtual exhibition. It's all free of charge and available from the comfort of your home or office!

... and there's more! As part of the **SAP Finance and Risk Live Series**, you will have access to an entire month of networking possibilities and digital content spanning multiple solution areas. Why not read on to learn more?

It's all free of charge and available from the comfort of your home or office!

We look forward to welcoming you virtually this October

Kind regards,
